## READING WITH THE DOGS

### DID YOU KNOW?

Research studies have shown that reading fluency can increase after participating in a reading to dogs program.

Children look forward to coming to the library because a dog is waiting for them.

Children feel “grown up” to be able to read a book and show off the pictures like their teachers and/or parents.

Children and adults alike feel safe when sitting with a dog.

If there has been a loss of a

friend or loved one, sitting and reading to a dog relieve stress and bring comfort.

Reading to a dog can help children learn kindness and empathy by petting the dogs.

If you are interested in your child participating in this wonderful program stop by the front desk or call the library.

## STORY TIME HALLOWEEN PARTY!

The Story time Halloween party was a BIG success. Robin never fails to impress.

The little one's decorated pumpkins with stickers and chalk markers.

Everyone enjoyed gobs of snacks and candy.

Story time would not be the success that it is if it were not for Mrs. Robin and the help and support of the Mothers, Grandparents, and Fathers!

Thank you to everyone who participates!!!
