READING WITH THE DOGS

DID YOU KNOW?

Research studies have shown that reading fluency can increase after participating in a reading to dogs program.

Children look forward to coming to the library because a dog is waiting for them.

Children feel “grown up” to be able to read a book and show off the pictures like their teachers and/or parents.

Children and adults alike feel safe when sitting with a dog.

If there has been a loss of a

friend or loved one, sitting and reading to a dog relieve stress and bring comfort.

Reading to a dog can help children learn kindness and empathy by petting the dogs.

If you are interested in your child participating in this wonderful program stop by the front desk or call the library.

“Reading to dogs can boost reading skills in children as well as help with emotional and social skills” Readingtodogs.weebly.com

TUTORING AVAILABLE

Generally you can expect the cost to be around **\$30** to **\$40** per hour, but as high as **\$85**, depending on the tutor's experience level and subject.

That's not the case at the TCPL! Vicky Steel tutors in both Math and Reading at **NO COST TO YOU**.

Please call ahead to put your name on the list.
